

Performance Overview

Varied, charismatic, emotional, passionate describe a voice, that inspires an thrills the listener.

Whether, synchronised speaking, a marketing project, communications project or one of your individually planned acts. I am in a position to offer my voice and experience to my customers.

I became well known as the radio advertising voice for the furniture company PORTA. I am very versatile and flexible and can provide a wide range of experience and talent.

My specialities:

spots for radio and television as well as radio advertising, trailers, corporate video, documentaries, image- and industrial films, synchronised speech, multimedia projects, telephone announcements, readings, listening books, all forms of advertising and much more.

Voice character:

Old or mature, seductive, young, deep-warm, erotic and sexy, dramatic, exclusive, elegant, likeable, superior, secretive, serious, competent, narrative, motherly, crazy/wacky, confident and further different roles.

Voice range & dialects:

Mezzo (between sopran an alto), German-American/English accent, Italien accent, Russian, French an Bavarian accent.

Speech & song shipment:

Your desired speech package can be sent as e-mail (mp3 at 320 kb/sec), Music Taxi VP Pro dialog 4 by ISDN, or I can speak/sing your requested text/song directly in your studio.

Service:

You can reach me from Monday to Sunday from 8 am – 8 pm and you will receive a prompt reply to your inquiry by e-mail within 4 hours. After your order you will receive your requested speech package (by the quickest production method) guaranteed within 1 hour as mp3 or any other common format.

Further action:

A cost estimate depends on various factors and will be the best possible price for your expectations. My upmost goal and my motto is to offer the customer good quality, fast service and the best possible price. Therefore, please use my contact form for your inquiry in order to receive your personal individual offer/concept.

My job:

Your text/song is important to me and my aim is that it sounds convincing and appropriate for your needs.

- If the desired effect of the speech/text package does not fulfil your wishes, then we should be able to find an agreement through my **immediate personal service**.
- According to my experience there are usually no problems or unexpected surprises. One the one hand, In addition to a detailed preliminary talk and speech/song instructions there is always the possibility for telephone or personal directions (eg. By Music Taxi)
- Should it be the case that you are no longer completely sure about your text then do not hesitate to contact me so that I can advise you further.
- If you decide that the text needs to be substantially changed after the final listening then please request an individual/personal quotation.

THANK YOU FOR YOUR INTEREST IN MY 'VOICE'!

Take a nice Voice
